

ST. ANDREW UMC 2022 NEWSLETTER

- **Music News:** A very special thank you for all who participated in our special Christmas music. I truly appreciate all the time and talents you have contributed to our music program.
Have you made a New Year's resolution? How about including our Choir or Bell Choir in it. This would be an excellent time to join. You do NOT need to know how to read music or to have any previous training or experience. All we ask is a desire to praise God through the medium of music. Also, I would very much like to start a Junior Bell Choir. If you know of any child in second grade or above who might be interested, please see that I have their full name, their parents name and a convenient way to contact them. I can be reached at (732) 915-0995 (cell); (732) 961-1168 (home) or velgamb1@optonline.net. I look forward to hearing from you. My best wishes for a Happy and Healthy 2022!
